How We Work

We use best practices in the industry to comply with health and safety, privacy, and human rights laws keeping your business protected. All our staff are professionally trained, fully certified, and our supplies are Health Canada approved.

We understand your workplace priorities, and we are committed to building safer workplaces and reducing risk of impairment.

Work With Us

1. Contact Us

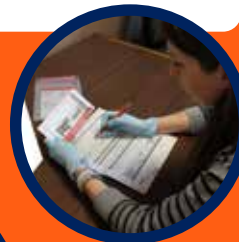

We'll set up a meeting to discuss your needs.

2. Send a Request

Simply check a box to send your request and we'll make arrangements with your employee for the test. Your part is done!

3. Receive Results

We give you results quickly - Often the same day as the test!

Why Choose Us

- Canada/USA wide network
- We provide results fast - typically same-day or within 1 business day
- Competitive rates and flexible, personalized plans
- We can conduct all services at your desired location or at our offices across North America
- Provide services to all industries
- Total assurance of meeting all compliance and policy standards

NorthStream has you covered!
