

## 2021 HALL OF FAME INDUCTEES NOMINATION FORM

---

### Nomination Guidelines

Anyone may nominate a candidate for induction into the MineConnect Hall of Fame.

Each nomination must contain the information requested in this form.

While completeness and accuracy are important, submissions should at the same time be as concise as possible. A maximum length of four pages per nomination is suggested, not including letters of support.

The closing date for receipt of nominations is **January 30, 2022**.

Selection of the individuals to be inducted will be made by the MineConnect Board of Directors, whose decision will be final. Lobbying, which generally implies approaching members of the MineConnect Board or staff on behalf of or to promote a nominee, is not allowed and may result in the rejection of the nomination. Selection will be based solely on the Selection Criteria.

## Section 5: Supporting Documentation

Please provide all of the following information on a maximum of 4 pages. (Each item does not require a separate page)

1. Curriculum Vitae/Career History (limited to one page)
2. List of Memberships in Professional and Industry Associations
3. A description of awards and other recognition
4. Any other information in support of the nominee

PLUS Supporting Letters (minimum of 3 and a maximum of 6)

Authors of supporting letters should identify their position, role and the nature of their knowledge and relationship with the nominee. The nominator should encourage the letter writers not to repeat what has already been written by the nominator but to add their own insights to the appropriateness of the nomination. It would be advisable for the nominator to share the selection criteria so that the letters of support provide additional evidence of the candidate's achievement in these areas.
