

Sponsorship Opportunities 2025

MINI MINING FORUM/AGM

A half day of industry insights, networking, and discussions on the latest developments in mining and economic trends. MineConnect Mini Mining Forums offer a unique opportunity to connect with industry leaders, explore hiring solutions, and learn about exciting projects and investment opportunities in Ontario.

This event presents a unique sponsorship opportunity for your organization to gain visibility and connect with your customers and peers while supporting the growth of the MineConnect community.

ROADSHOW

MineConnect Roadshow networking events are a fun and informal way to reach the mining supply & services sector.

Hosted in communities throughout Ontario, these events are a great way for members, prospective members, and those with connections to the mining industry to network with peers and the MineConnect team.

Roadshows are excellent opportunities to showcase your company in a specific geographic area, while supporting your association.

PRESENTING SPONSOR

As the Presenting Sponsor, your organization will receive premier visibility and recognition as a leader in supporting the mining supply and services sector. This exclusive sponsorship includes prominent branding (see page 2). Additionally, you will have the opportunity to address a highly engaged audience.

By becoming the Presenting Sponsor, you not only enhance your organization's profile but also contribute to the growth and success of Ontario's mining ecosystem. Only available for Mini Mining Forums and the AGM.
