

# Become a Career Coach!

**Make a difference in the lives of Grade 9 and 10 students exploring their career pathways.**

Ontario's new Career Coaching initiative for Grade 9 and 10 students gives young learners hands-on opportunities to explore exciting careers, develop practical skills, and learn about high-demand industries like the skilled trades. As a career coach, you'll help students navigate their options, build confidence, feel optimistic about their place in the future world of work.
